ADITYA THAKUR

2nd YEAR ENGINEERING STUDENT @VIT-AP | WORKED WITH PYTHON*JAVA*MYSQL*HTML

```{r} Elevator Pitch/ Intro : A dynamic and innovative professional, I thrive where systems meet strategy. With a proven track record in myself over the past years, I'm not just ordinary coder, I'm a game changer. Vision/Future Prospectus : I believe in the power of Education and Technology to transform lives and businesses for the better. My goal? To be at the forefront of this transformation.
